

Health Check up Camp

Department of Paediatrics, Eras Lucknow Medical College and Hospital, Eras University in association with Lucknow Academy of Paediatrics conducted a health check-up at St Mary School Para Road premises on Wednesday , 23/01/2019. The camp was attended by **Dr. Shrish Bhatnagar, Dr. Divanyanshu, Agarwal, Dr. Sumit Sehgal, Dr. Abhinav Agarwal, Dr. Wamique Hasan& Dr Wamique Shakeel.**

Around 170 children from classes Pre nursery to Class II were examined and following activities were done

- Complete Health Check-up (Screening, Clinical Examination, Dental and Vision assessment)
- Counselling was done regarding how to keep good personal hygiene.
- We recommended appropriate precautions and interventions to students/ teachers.
- Examination report for each student was handed over to School. Thus parents will stay updated with their child's health.
- Medicines of general use were donated to the dispensary of the school to be used among children of school and orphanage run by the institution.

We thank **Mrs Swapna Augustine**, Principal St Mary School for providing the opportunity of conducting the camp and also arranging necessary logistics for the same.

We would like to thank Principal Dean & CMS **Dr MMA Faridi** and **Management of Eras Lucknow Medical College** for the constant blessing and guidance to conduct noble activities of social importance.

We also thank President **Dr Anoop Bajpai** and Secretary **Dr Abhishek Bansal** of Lucknow Academy of Paediatrics for their whole heart support in conducting the camp. They had generously provided medicines for distribution

In the end I would like to thank my co faculty from the department **Dr Archana Kumar, Dr Chavvi Nanda, Dr Sumiya Shamsi, Dr Pranjali Saxena** and **Residents** for lending there full support in successful conduction of the health camp. We plan to continue with such camps in future too.

Dr Shrish Bhatnagar

Prof and Head, Department of Paediatrics & Neonatology
